

Signature Campaign

Educating the public about mental disabilities is a hectic job. Social stigma about this sector still persists in the minds of people even in this modern era. General public view that birth of such disabled child is curse to the family and the afflicted families experiences mental trauma and other troubles.

To inculcate the right attitude about the mental Disabilities in the minds of the people, we had organized a signatory campaign between 06.09.2010 to 11.09.2010 at various places in Madurai city.(Collector's office, Mattuthavani bus stand, Periyar bus stand, Railway junction and various colleges) to get 2 lakh signatures from the general public,

Dr.Jothi Sofia, Principal of C.S.I.Jeyaraj Annapackiam College of Nursing, Madurai inaugurated the signature campaign and mobile awareness van.

Family Tour & Retreat

Parents who have child with mental disability are pre occupied with many longings and mental agony. These will interfere their participation in training their kids scientifically. Many times, fathers don't take much effort in training their kids. The mothers who are house wife often struggle to handle them in their houses and prone for many depressions and other psychological imbalances. If both are, working parents then the total family will get disturbed in many areas.

We organize family tour & retreat every year to relax them from all mental agony and learn coping skills through various activities. This year we took them to Kodaikannal from 25.02.2011 to 26.02.201. We had arranged various interactive indoor games to them for their relaxation. The children too enjoyed the whole program with their parents. They visited many places in Kodaikannal hill enjoyed much.

Both father and mother actively involved in group game organised at Kodai Hill during our school family tour.

Workshop for Special Educators

A regional level workshop on Recent advancements in education of persons with Intellectual & Developmental Disabilities was organized in association with the Indira Gandhi National Open University, Regional centre, Madurai on 23rd October 2010 at IGNOU, Madurai for the special educators who are working in various special schools in southern districts of Tamilnadu. Nearly 50 special educators attended this program from various southern districts who were educated by Dr. M.V.Preethi, Psychiatrist, Dr.V.Neethiarasu, Neurologist, Mrs. Sumathi, special Educator and Mr.A.Jeyapal, Cofounder of Bethshan school.

Job Placement

Indeed, a placement requires qualification witnessing with certificates and skills for the person who is seeking the job. But in the case of persons with mental disability, the skill requirement is totally based on the individual capabilities and the training he acquired during the past is essential. So far we have placed 7 students in private companies and they are earning for their livelihood. V.Rajkumar is the seventh person of our successful record.

We had a job placement function on 3rd December 2011, the day which is earmarked as World Disabled Day throughout the world. Mr.V.Rajkumar had a chance to wear a graduation dress on this special occasion. Kalyani square company was happy to provide appointment order for him. The whole Bethshan family members felt happy and expecting to see such a kind of fruit in the life of their child.
